One Day

Slique

Baby we'll make it, baby we'll make it
Baby we'll make it one dayBaby girl I'm calling to you
I know you can hear me somewhere
I can't believe that I don't have you
It feels really lost and unfairBut we were such a beautiful love
'Til we let trouble come our way
Why did I hurt you baby almost every day?It's been a while since you left me girl
And I don't feel sorry for myself
You might think that I don't care or I moved on
Or seeing somebody else, oh, no, noI remember yelling at you and hurting your heart baby
The way I treated you I wouldn't even treat my enemyWanna get you back my beautiful baby
Come on girl we'll make it one day
Every time I made you cry forgive me baby
Come on girl we'll make it one dayI can't go with my life without you baby
Come on girl we'll make it one day
I would rather stay alone than not have you baby
Come on girl we'll make it one dayWhen my life started going the wrong way
You did everything for me
You were there for me every single day
Loving and trying to help meI was frustrated with my problems
And took it all out on you
Looking back it hurts me so much
Can't believe what I put you throughIt's been a while since you left me girl
And I don't feel sorry for myself
You might think that I don't care or I moved on
Or am seeing somebody else, oh, no, noHave to reach out to you even though
You don't wanna see me or talk to me
I believe that I'm a better man
Give me a chance so you can seeWanna get you back, my beautiful baby
Come on girl we'll make it one day
Every time I made you cry forgive me baby
Come on girl we'll make it one dayI can't go with my life without you baby
Come on girl we'll make it one day
I would rather stay alone than not have you baby
Come on girl we'll make it one dayWanna get you back my beautiful baby
Come on girl we'll make it one day
Every time I made you cry forgive me baby
Come on girl we'll make it one dayI can't go with my life without you baby
Come on girl we'll make it one day

I would rather stay alone than not have you baby
Come on girl we'll make it one dayI'm not an evil person, baby
Don't wanna live without you, going crazy
All I want is for you to give me a chance
To get back the love we hadI miss you girl, I miss your loving
Know for the fact that you're my woman
Forgive me please, I know we can make it one dayBaby we'll make it, baby we'll make it
Baby we'll make it one day
Baby we'll make it, baby we'll make it
Baby we'll make it one dayBaby we'll make it, baby we'll make it
Baby we'll make it one day
Baby we'll make it, baby we'll make it
Baby we'll make it one dayBaby we'll make it, baby we'll make it
Baby we'll make it one day
