Everything to Me

Rock Kills Kid

Sunday morning Im tired lonely
Waiting for someone to save me
All the boys say you might be the one for me
I hope you can save me before I lose itIve been dying inside
Got nothing to hide
I think we should try
To lose ourselves tonightFor all that its worth
With every word
You make me want
To believe in you and me'Cause your everything to me
And I want you to know
Youre everything to me
And I [unverified] to showDays go by now time ticks slowly
I cant wait till youre with me
Till then Ill sit and think in my room alone
Out there theirs nothing for me
Theirs nothing for me anymoreI cant explain it
But it's making sense in my head?
You and me
(You and me)I cant explain it
But its making sense in my head
