Wake me up[Verse 3: Quavo]
Do you find time for me?
Put that on the line for me?

Do you smoke broccoli?
Would you really put your heart in me?
Would you really do your job with me?
She can't sleep another night lonely
She said "hold your arms real tight around me"
I said "fuck what you ever heard about me"
Just take your clothes off now and get in those sheets
Imma get your ass out the dream
