Scarlette

Unwound

Scarlette,
did you know that you're the one?
the one that raised the fucking sun.
i missed the train to wait for you,
stood all night to make things rightcross my heart and hope to die
don't recall the reason whyScarlette,
please don't talk that way.
i can't stand to hear you say:
'think of me when i'm not here,
don't doubt me if i'm insincere.'
cross my heart and hope to die
don't recall the reason whymy head don't hurt no more,
after you slammed it in the door.
you nearly murdered me!
left me lying on the flooryou know i know you know i know i know i know you know you know
this is a lunatic project - this is a lunatic project
Scarlette,
was it meaningless?
scarlette, was i prey?
did you like the way i looked at you
when you walked away?cross my heart and hope to die
don't recall the reason why.
