

I, the Damned

Cor Scorpii

Indoctrinate
Masses blindly entranced
United in name
A seed is sown within Disharmony
Monumental change
A light less bright
Ruptured walls of grace All alone
Illuminated fears
Freedom obtained
Shackles fade, replaced with hate Hear my cries
A call to arms
Unmerciful God
Vengeance and scars
I, the damned
By shattered dreams interred
Share my tears
Visions of might
Deception and lies
