

Recreate

Urban Rescue

Frail from the pain we carry
Pale from the light we bury
All we need is a glimpse of You
All we need is a glimpse of You
Worn by the war that's waging
Torn by a world that's breaking
All we need is a glimpse of You
All we need is a glimpse of You
To bring us back to life
Spirit captivate, resonate
Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Recreate us, recreate us!
Fear runs away and scatters
Time dissipates and shatters
Dead hearts rise in the wake of You
Dead hearts rise in the wake of You
Joy overcomes the sorrow
Hope illuminates tomorrow
Breath of life, we're alive in You
Breath of life, we're alive in You
So breath on us again
Captivate, resonate
Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Recreate us, recreate us!
I'm coming back to life
Coming back to life in You
My future is alive, future is alive in You, oh
I'm coming back to life
Coming back to life in You
My future is alive, future is alive in You
Captivate, resonate

Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Captivate, resonate
Liberate, recreate us
Recreate us, recreate us!
