

# Steppin Out

## Darien Brockington

Now, the mist across the window hides the lines  
But nothing hides the color of the lights that shine  
Electricity so fine  
Look and dry your eyesWe, so tired of all the darkness in our lives  
With no more angry words to say can come alive  
Get into a car and drive to the other side  
(Me babe, steppin' out)  
Into the night, into the light  
You babe, steppin' out  
Into the night, into the lightWe are young but getting old before our time  
We'll leave the TV and the radio behind  
Don't you wonder what we'll find  
Steppin' out tonightYou can dress in pink and blue just like a child  
And in a yellow taxi turn to me and smile  
We'll be there in just a while, if you follow me  
(Me babe, steppin' out)  
Into the night, into the light  
You babe, steppin' out  
Into the night, into the lightMe babe, steppin' out  
Into the night, into the light  
You babe, steppin' out  
Into the night, into the lightMe babe, steppin' out  
Into the night, into the light
