

Plug In Baby (Live at Glastonbury)

Muse

I've exposed your lies, baby
The underneath, no big surprise
Now it's time for changing
And cleansing everything
To forget your loveMy plug in baby
Crucifies my enemies
When I'm tired of giving
Woah, my plug in baby
In unbroken virgin realities
Is tired of livingDon't confuse
Baby you're gonna lose
Your own game
Change me
Replace the envying
To forget your loveMy plug in baby
Crucifies my enemies
When I'm tired of giving
Woah, my plug in baby
In unbroken virgin realities
And tired of living
And I've seen your loving
Mine is gone
