

# Yolo (feat. Adam Levine & Kendrick Lamar)

## The Lonely Island

YOLOYOLO, you only live once  
The battle cry of a generation  
This life is a precious gift  
So don't get too crazy  
It's not worth the risk  
You know that we are still young  
So don't be dumb  
Don't trust anyone  
Cause you only live once  
Ugh, you only live once  
That's the motto  
So take a chill pill  
Ease off the throttle  
Never go to loud clubs  
Cause it's bad for your ears  
Your friends will all be sorry  
When they can't hear  
And stay the hell away from drugs  
Cause they're not legal  
Then bury all your money in the backyard  
Like a beagle  
Cause you should never trust a bank  
They've been known to fail  
And never travel by car, a bus  
Boat or by rail  
And don't travel by plane  
And don't travel at all  
Built a bomb shelter basement  
With titanium walls  
And wear titanium suits  
In case pianos fall on ya  
And never go in saunas  
Cause they're crawlin' with piranhas  
And never take the stairs  
'Cause they're often unsafe  
You only live once  
Don't let it go to waste  
You know that we are still young  
So hold off on the fun  
Cook your meat 'til it's done  
Cause you only live once  
Yeah  
And here's another piece of advice  
Stay away from kids  
Cause their hair is filled with mad lice  
There's no such thing  
As too much Purell  
This a cautionary tale  
Word to George Orwell  
So don't 1980 force  
Any plugs into sockets  
Always wear a chastity belt

And triple lock it Then hire a taster  
Make him check your food for poison  
And if you think your mailman is a spy  
Then destroy him No blankets or pajamas  
They can choke you in your sleep  
Two words about furniture  
Killing machines Board your windows up  
The sun is bad for your health  
And always wear a straight jacket  
So your safe from yourself Take no chances (no chances)  
Stop freelancin' (right now)  
Invest in your future  
Don't dilute your finances (uh huh)  
401K, make sure it's low risk  
Then get some real estate (how much?)  
4.2% thirty year mortgage  
That's important, that's a great deal  
And if you can't afford it  
Don't forge it on your last bill  
Renting is for suckers right now  
A dependable savings  
And you'll retire with money in your account  
BeastYOLO, say no no  
Isolate yourself  
And just roll solo  
Be care-folo  
You oughta look out  
Also stands for YOLO You know that we are still young  
Burn the prints off your thumbs  
Then pull out all your teeth  
So you can't bite your tongue Only on this earth for a short time, time  
So don't go outside, cause you don't want to die, die Just take our advice and hide  
And scream YOLO to the sky You oughta look out
