

# Talk to Me

Chris Isaak

Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, talk to me  
Talk to me like you're the only girl  
Talk to me in this whole wide world  
Talk to me like you're the only one  
Talk to me tell me what has love done  
Imagine a boy  
Imagine a girl  
Imagine the hearts  
That are broken by the world  
Don't pass me by like a stranger  
Don't shackle love there's no danger  
Don't leave me here, all alone  
Oh ho ho, talk to me, talk to me  
Talk, talk  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Talk to me, tell me that you love me  
And that you'll never leave me  
Don't pass me by like a stranger  
Don't shackle love there's no danger  
Don't leave me here, all alone  
So alone, I'm alone, ohh ho  
Talk to me, talk to me  
Talk, talk  
Imagine a boy  
Imagine a girl  
Imagine the hearts  
That are broken by the world  
Talk, talk, talk, talk  
Talk to me  
Darlin' talk to me
