

# Cheeky Monkey

A

I'll give back your pogo stick  
As soon as you return my wasted time  
And then I'll be fine  
I'll feel so much more nostalgic  
As soon as all my cheques are countersigned  
I'm sure I'll be fine  
Are you panicking or just groveling?  
I want to empathize  
So how does it feel  
When the guilt bites into your veins?  
How does it feel  
You cheeky, cheeky little monkey?  
How does it feel  
When your conscious burns in your brain  
I gotta know  
How does it feel?  
Been there done that don't like re-runs  
If I do I'll rent the video  
And cancel your show  
Does somebody need a big hug?  
Call me up when I'm in Mexico  
Spending your dough  
Are you worrying or just sniveling?  
I want to empathize  
So how does it feel  
When the guilt bites into your veins?  
How does it feel  
You cheeky, cheeky little monkey?  
How does it feel  
When your conscious burns in your brain  
I gotta know  
How does it feel?  
Are you shivering, are you anything?  
I want to empathize  
How does it feel?  
How does it feel?  
How does it feel, cheeky monkey?  
I gotta know  
So how does it feel  
When the knife is stuck in your back?  
How does it feel  
You cheeky, cheeky little monkey?  
How does it feel  
When your anger boomerangs you?  
I gotta know  
How does it feel?  
How does it feel?  
How does it feel?  
How does it feel?  
How does it feel?  
How does it feel?

I gotta know
