

# Rise

## Gabrielle

I know that it's over  
But I can't believe we're through  
They say that time's a healer  
And I'm better without you It's gonna take time I know  
But I'll get over you Look at my life, look at my heart  
I have seen them fall apart  
Now I'm ready to rise again  
Just look at my hopes, look at my dreams  
I'm building bridges from these scenes  
Now I'm ready to rise again Caught up in my thinking, yeah  
Like a prisoner in my mind  
You pose so many questions  
But the truth was hard to find I better think twice I know  
That I'll get over you Look at my life, look at my heart  
I have seen them fall apart  
Now I'm ready to rise again  
Just look at my hopes, look at my dreams  
I'm building bridges from these scenes  
Now I'm ready to rise again Much time has passed between us  
Do you still think of me at all?  
My world of broken promises  
Now you won't catch me when I fall Look at my life, look at my heart  
I have seen them fall apart  
Now I'm ready to rise again  
Just look at my hopes, look at my dreams  
I'm building bridges from these scenes  
Now I'm ready to rise again Yes, I'm gonna rise  
Gonna make it all right  
I'm gonna be who I wanna be, yeah baby  
Gonna make it all right  
Gonna make it all right
