

I Worship You

The Williams Brothers

You're always there,
When no one else cares,
I can depend on you,
To guide me through.

[x2:]

I worship you,
For the rest of my life I will,
I yearn for you,
For the rest of my life I will,
My love grows for you,
I yearn, for you presence in my life, for the rest of my life.

Sometimes I feel alone, alone... alone...
No one from my family,
My friends are gone...
No one else to turn to,
So then I cry...
But then you remind me,
That you're on my side...
(Back to I worship you)

[Vamp: x2]

I worship you,
I yearn for you,
I love you,
All praise for you,
For the rest of my life.

Holy, holy, holy, holy, holy,
Holy, holy, holy, holy, holy. [repeat]
