Perpetual Devotion

Schism

You look at me like there's no tomorrow
I showed you the way time and time again
We did so many things together
Guess sometimes there's always a reminder
It's just the same but there's aways an endWere moving on
In our hearts we know why
Ohh, forever only belongs
If your moving with timeIt's emotion
It's not forgotten
Moving through time
It's strong and it's one
And I hold on
While I'm in motion
A deep bond
Perpetual devotion
Show me some
Perpetual devotion
Perpetaul devotion
Perpetual devotionThis black and white street
Has known my name
For so long it lead me through time
But now like a statue I'm left standing
Give me some wings to fly me away
It's just the same but there's always an endWere moving on
In our hearts we know why
Ohh, forever only belongs
If your moving with timeIt's emotion
It's not forgotten
Moving through time
It's strong and it's one
And I hold on
While I'm in motion
A deep bond
Perpetual devotion
Show me some
Perpetual devotion
Perpetual devotion
Perpetual devotion
