

Life Will Go On

Barry Manilow

Goodbye there's a word I've hated all my life.
Unanticipated tears can hurt so much
My friend, it's so sad to see you at love's end
I've been through the pain myself it's really wrong
To play it strong. Go on and cry till you run dry it's alright.
Go on and scream at broken dreams it's alright.
Let sorrow have its day and when its done
Life will go on. In time thoughts of "might have been" will leave your mind
And sweet forgetfulness will come
Don't worry now just when or how Go and cry till you run dry it's alright
Go on and scream at broken dreams it's alright.
Let sorrow have its day to cry out is no crime
In no time life will go on. Go on and cry till you run day it's alright.
Go on and scream at broken dreams it's alright.
Let sorrow have its day and when it's done
Life will go on and on. It's alright oh it's alright.
Let sorrow have its day and when it's done
Life will go on and on
