Winter Rose/Love Awake

Paul McCartney & Wings

All through the summer I have followed you around
Bringing a rose for the winter that's coming
Now the snow is on the ground.
Winter rose. Winter rose.
Shine your light in the air.
Winter rose. Winter rose.
Skine your light everywhere.
Love awake. Toll the bell.
Tell the world how glad you are.
Love awake to the day
When we can make our love awake.
Lord knows we need it any time we can get it.
But if we forget it every now and then.
But if you don't feel it, later on you'll regret it.
And if we let it we could set it free, you and me.
Love awake. Tone the bell.
Tell the world how glad you are.
Love awake to the day
When we can make our love awake.
Snowfalls in the winter,
Spring brings the rain.
But it's never to long before the summer comes again.
It always comes again!
