

Peace Be Revenged (Orchestral) [Bonus Track]

[Serj Tankian](#)

Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all have to goWhere are we to go?
How can we survive?
When the falling rain seems to cease
We will all goWe have built our lives
Without nature in mind
So that we've become the disease
But we won't goThose that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revengedOnce we used to hear
But like footsteps appear
Now we have no fear
And in turn will disappearWe have built our lives
Without nature in mind
So that we've become the disease
But we won't goThose that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged
Revenge, revengeWhen the rain washes
All the mitochondria
Try to steer your
Intentions into loveWhen your fears mix with
Brain wash erosions, dear
I won't be here then
You won't be here whenWhen the rain washes
All the mitochondria
Try to steer your
Intentions into loveWhen your dear mix with
Brain wash erosions, fear
I won't be here then
You won't be here whenJust watch the rain
Just watch the rain
Rain, watch the rainJust watch the rain

Just watch the rain
Rain, watch the rain Where do we go?
How do we meet you?
