Ntegyerize

Abaasa

Verse1
Everbody has a weakness, I have two
everything you say, and everything you do

It feels like I aint got rhythm without you
no, I cant stop thinking about you
I've got a couple things due in the studio
plus there's school you know
hold still, I'll be waiting for you

Chorus
Ntegyerize
I am waiting, I am waiting
Ntegyerize
I am waiting, I'll be there
when memories of music fade

Verse2
And they fade, but I'm happy that you stayed.
Like two mirrors facing each other,
no envy; no nara.
Lost in reverie on a balcony with a light-skinned queen,
she's elegance and freedom,
and everything I adore

It feels like I ain't got rhythm without you
No, I cant stop thinking about you
I think I've finally found my love with you
and I'll be waiting for you

Bridge
Look up in the sky
Look up in the sky
nyakwezi yeitu

Chorus
Ntegyerize
Let our scars fall in love,
like hues of evening
Ntegyerize

Like clouds in the starlight
I'll be waiting for you
