

# Night Flight

Jeff Buckley

I received a message from my brother across the water  
He sat laughin' as he wrote the end's in sight  
So I said goodbye to all my friends  
And packed my hopes inside a matchbox  
'Cause I know it's time to fly Oh yeah, come on, come on now won't meet me in the morning,  
Meet me in the middle of the night  
Oh the morning light is comin',  
Don't it make you wanna go and feel alright Uh  
Oh I just jumped a train that never stops,  
So now somehow I'll know I never finished payin' for my ride  
Just n' someone pushed a gun into my hand  
Tell me I'm the type of man to fight the fight that I'll require Oh yeah, come on, come on now won't meet me in  
the morning,  
Won't you meet me in the middle of the night, night, night  
Oh the morning light is comin',  
Don't it make you wanna go and feel alright Alright, alright  
Oh, mama, well I think it's time I'm leavin'  
Nothin' here to make me stay  
Whoa, mama, well it must be time I'm goin'  
They're knockin' down them doors  
They're tryin' to take me away Please Mr. brakeman, won't you ring your bell  
Won't you make it loud and clear  
Please Mr. fireman, won't you ring your bell?  
Tell the people they got to fly away from here Uh, I once saw a picture of a lady with a baby  
Southern lady, had a very, very special smile  
We are in the middle of a change in destination  
When the train stops, all together we will smile  
Oh yeah, come on, come on now won't you meet me in the morning  
Won't you meet me in the middle of the night, night, night  
Oh, oh everybody know the mornin' time is comin'  
Don't it make you wanna feel alright  
Ah, ah, yeah  
Make me feel alright  
alright, alright  
Make me feel alright  
Hmm hmm yeah alright, alright  
Oh yeah, oh yeah  
Yeah, yeah, yeah, yeah, yeah  
Oh yeah shit

Fuck that pissed me off
