

Lay Those Loving Hands On Me

Smokey River Boys

Lay those loving hands on me
Lay those loving hands on me
I just can't help myself
When you lay those loving hands on me Sometimes I get so weary
I don't need a late night show
I just need a little bit of a whole lot of you
And I just want you to know Lay those loving hands on me
Lay those loving hands on me
I just can't help myself
When you lay those loving hands on me When I want to get together
I don't need some fancy ring
I just need a little bit of a whole lot of you
When my mind is on one thing Lay those loving hands on me
Lay those loving hands on me
I just can't help myself
When you lay those loving hands on me Lay those loving hands on me
Lay those loving hands on me
I just can't help myself
When you lay those loving hands on me Lay those loving hands on me
Lay those loving hands on me
I just can't help myself
When you lay those loving hands on me
