

# Blue Ice

## Dj Barracuda

It hurts when I breathe  
It hurts when I speak  
You want everything I own  
Everything you wanted  
I keep running away, running away, running away  
You keep fading away, fading away, fading away  
It always ends in the same way  
The sun gets in your eyes  
I won't be surprised that next time  
These blue eyes came out of the blue  
Out of the blue, blue, blue  
It never gets old  
It never changes  
Does it  
Airport to city  
The moment is breaking my promise  
So I keep drifting away, drifting away, drifting away  
And you keep fading away, fading away, fading away  
It always ends the same way  
The sun gets in your eyes  
I won't be surprised the next time  
  
But these blue eyes came out of the blue  
Blue, blue, blue  
It hurts when I breath  
It hurts when I speak  
Still want it  
Everything I own  
Everything you wanted  
I keep running away, running away, running away  
You keep fading away, fading away, fading away,  
It always ends the same way  
The sun gets in your eyes  
I won't be surprised the next time  
But these blue eyes  
It always ends in the same way  
The sun gets in your eyes  
But these blue eyes came out of the blue  
Out of the blue, blue, blue

Blue, blue, blue
