

# My Love Is A Fire

Donny Osmond

Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh

Bass!

It's quarter to two,  
And I've still got you on my mind, oh baby.  
I'm just a prisoner,  
Trapped in the chains of your love.  
It cuts like a knife, imagining life without you,  
Oh darling.  
I'm up to the challenge, and I'm willing to fight.  
I'd do anything to have you with me tonight,  
Oh baby

I'd swim a river if the river was wide,  
I'd climb a mountain if the mountain was high.  
I'd do anything, girl, just to be by your side.  
I'm out of my mind, my love is a fire.

It's heaven on earth, and we don't need words  
To describe it.  
I'm lost in forever,  
I don't ever want to come down.  
I was a fool, I broke every rule before you, girl.  
Searching for answers and I've looked high and low.  
Now that I've found you, girl, I can't let you go.  
Oh baby

Id swim a river if the river was wide,  
Id climb a mountain if the mountain was high  
Id do anything, girl, just to be by your side.  
I'm out of my mind, my love is a fire.

Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh

I'm burning up,

Can't cool down.  
Flames getting higher,  
Burning down to the ground.

I'd swim a river if the river was wide,  
I'd climb a mountain if the mountain was high.  
I'd do anything, girl, just to be by your side.  
I'm out of my mind, my love is a fire.

I'd swim a river if the river was wide,  
I'd climb a mountain if the mountain was high.  
I'd do anything, girl, just to be by your side.  
I'm out of my mind, my love is a fire.

I'd swim a river if the river was wide,  
I'd climb a mountain if the mountain was high.  
I'd do anything, girl, just to be by your side.  
I'm out of my mind, my love is a fire.

Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh  
Oh-oh oh-oh, oh-oh-oh oh-oh-oh
