

Nobody Likes Me (feat Truth and Ronnie Radke)

Deuce

Nobody likes me
No one likes me
But I don't like them
Uh huh, I don't, nu uh Nobody likes me
No one likes me
Why? 'Cause I don't like them
Uh huh, I don't, nu uh All this hate you gave me that turned me deranged
Now I'm burning in the flames
All the things you said, they've been stuck in my head
And now I'm at it again, an addict
Welcome to hell bitch
You can't do nothing about it Out of my way faggot, you heard what I said damnit
I am an automatic ready to fire back at
All the fuckers laughing
Not gonna lie about it, I'm gonna wreck havoc
Everyone's dying
Don't matter This is my chance
Maybe my last
And if I leave
There's no way back This is your fate
When worlds collapse
I took my pain
Now give it back I give it back, give it back
Only one of us will laugh last
Now give it back...
I give it back, give it back
Break this whole fucking world in half Nobody likes me
No one likes me
But I don't like them
Uh huh, I don't, nu uh Nobody likes me
No one likes me
Why? 'Cause I don't like them
Uh huh, I don't, nu uh I used to have so many friends
I thought I could trust
But when it came to saving me
You let me self-destruct Well I'm back now, I'm seeking out this vengeance
Not to mention that this black cloud, it sticks around
And visits my intuition, won't let me back down
And I swear to God, my heart is like a piston

Pumping rage into this engine, turn the keys to my ignition Listen nobody likes me

Enlightening, it excites me

And I talk this shit with the lyrics I spit

And still nobody will fight me Try walking a mile in my shoes

And get beat with your own Nikes

I'm a grimey motherfucker

With a mic' so call me Mickey I got no patience lately

For these fucking faggots

Fecking making lies up

Wise up And if you really think you can take me

Wake me up from this lazy battle

Rattle you with my crazy battle

Pay my dues back on the saddle

The lonely road that I slowly travel This is my chance

Maybe my last

And if I leave

There's no way back This is your fate

When worlds collapse

I took my pain

Now give it back I give it back, give it back

Only one of us will laugh last

Now give it back...

I give it back, give it back

Break this whole fucking world in half

Break this world in half! Nobody likes me

No one likes me

But I don't like them

Uh huh, I don't, nu uh Nobody likes me

No one likes me

Why? 'Cause I don't like them

Uh huh, I don't, nu uh You thought you figured it out

You thought you figured it out

Uh huh, you thought you figured it out

You thought you... figured me out! You'll never figure me out!

You can't figure me out!

Shut the fuck up!

I'll burn you fuckers down! I know you're proud

I held my ground

Time's running out You hear the crowd

They know you're down

Time's running out Nobody likes me

No one likes me

But I don't like them

Uh huh, I don't, nu uh Nobody likes me

No one likes me

Why? 'Cause I don't like them
Uh huh, I don't, nu uh Now it's much too late
To say you're sorry
Don't care what you think
Uh huh, I don't, nu uh Now it's much too late
To say you're sorry
Don't care what you think
Uh huh, I don't, nu uh
