Shell

Pale Saints

Climb inside your mind and hide
Throw the keys away
No one could ever know
The pain you're going through
But I'll remember you
Yes, I'll rememberRun and hide in your mind
Run and hide don't [Incomprehensible]Don't eat, don't move
You don't sleep
Empty where you lie
Gets farther every time
Be still you're just not a shell
You do not exist the way you used toRun and hide in your mind
Run and hide don't [Incomprehensible]
