

# Shell

## Pale Saints

Climb inside your mind and hide  
Throw the keys away  
No one could ever know  
The pain you're going through  
But I'll remember you  
Yes, I'll remember Run and hide in your mind  
Run and hide don't [Incomprehensible] Don't eat, don't move  
You don't sleep  
Empty where you lie  
Gets farther every time  
Be still you're just not a shell  
You do not exist the way you used to Run and hide in your mind  
Run and hide don't [Incomprehensible]
