You're Looking At Me

Stacey Kent

Who had the boys turning hand springs?
Crazy to love her, claimed she
Who could so misunderstand things?
You're looking at me

Who was so sure of her conquest?
Sure as a human could be
Who wound up losing the contest?
You're looking at me
You're looking at me

Where is that girl?
Who was certain her charms couldn't fail
And where is that girl?
Who believed every word of this ridiculous tale

Who was so childishly flattered?
Thought she'd swept him off his feet
Who woke to find her dreams shattered?
Might I repeat
Might I repeat for you
Needn't strain your eyes
To see what I want you to see
That's right
You're looking at me

Where is that girl?
Who was certain her charms couldn't fail
And where is that girl?
Who believed every word of this ridiculous tale

Who was so childishly flattered?
Thought she'd swept him off his feet
Who woke to find her dreams shattered?
Might I repeat
Might I repeat for you
Needn't strain your eyes
To see what I want you to see
That's right
You're looking at me
