Hey Watcha Doin' Today

Tim Oxley

Hey whatcha doin' today
Iâ€™m ridinâ€™ down the highway
Iâ€™m just rollinâ€™ along
Just like that song
You played me last time
I saw you

Hey whatcha doin' today
I got a desert fire
With your face in the flame
Iâ€™m glad that you came
You make me feel like gold
Just discovered

Oooooo Youâ€™ve got me rollinâ€™
Oooooo Youâ€™ve got me rollinâ€™ again

Hey whatcha doin today
instrumental

Oooooo Youâ€™ve got me rollinâ€™
Oooooo Youâ€™ve got me rollinâ€™ again

Hey whatcha doin' today
Iâ€™m ridinâ€™ down the highway
Iâ€™m just rollinâ€™ along
Just like that song
You played me last time
I saw you

Oooooo Youâ€™ve got me rollinâ€™
Oooooo Youâ€™ve got me rollinâ€™ again
(x2)
