

# Radio

## Beyonce Knowles

I be on the hotline like err'day  
Makin' sure the DJ know what I want him to play  
You know I got my top back and my beat low  
Rockin' my stunna shades and turnin' up my radio  
Turn up my radio  
I think I'm in love with my radio  
'Cause it never lets me down  
And I fall in love with my stereo  
Whenever I hear that sound  
Whenever I hear that sound  
Whenever I hear that sound  
I'm the only one that papa allowed to hang out in my room  
With the door closed we'd be alone  
And mama never freaked out when she heard it go boom  
'Cause she knew we were in the zone  
Hold him in my arms and look out of my window  
Under the moonlight  
And he'd be keepin' my close so I never let him go  
He's got a place in my heart  
I think I'm in love with my radio  
'Cause it never lets me down  
And I fall in love with my stereo  
Whenever I hear that sound  
Whenever I hear that sound  
Whenever I hear that sound

When I get in my car, turn it up  
Then I hear vibrations all up in my trunk  
And the bass all be rattlin' through my seats  
Then that crazy feeling starts happening  
I get butterflies when I hear the DJ  
Playing the stuff I like  
And I fall deeper in love with every song he plays  
He's got a place in my heart  
I think I'm in love with my radio  
'Cause it never lets me down  
And I fall in love with my stereo  
Whenever I hear that sound  
Whenever I hear that sound

Whenever I hear that sound  
I be on the hotline like err'day  
Makin' sure the DJ know what I want him to play  
You know I got my top back and my beat low  
Rockin' my stunna shades and turnin' up my radio  
Turn up my radio  
I think I'm in love with my radio  
'Cause it never lets me down  
And I fall in love with my stereo  
Whenever I hear that sound  
Whenever I hear that sound  
Whenever I hear that sound
