

# The Aftermath

## Despised Icon

Laying low, lurking deep down below  
Resurface, catch your breath  
Rise back from the depthsRise back from the depths  
Rise up, rise back up!  
Rise back from the depths  
Rise up, rise back up!  
Rise back from the depthsOne more attempt, suffer my wrath  
Feel my contempt, the aftermathThe aftermath!  
Damn you all, put you all to sleep  
I am not a savior, nor am I a sheep  
None can appease, suffer my wrath  
Down on your knees, the aftermath  
No peace  
Tear it all down, I will never cease  
No rest (no rest), no peace  
Tear it all down, tear it piece by pieceLaying low, lurking deep down below  
Resurface, catch your breathRise back from the depths  
Rise up, rise back up!  
Rise back from the depths  
Rise up, rise back up!  
Rise back from the depths  
Rise up, rise back up!  
Rise back from the depthsOne more attempt, suffer my wrath  
Feel my contempt, the aftermathEnd it all, carry out my plan  
The ills of modern man, the aftermath  
Damn you all, put you all to sleep  
I am not a savior, I will cut you deep  
Watch as I feast, suffer my wrath  
Unleash the beast, the aftermathNo peace  
Tear it all down, I will never cease  
No rest (no rest), no peace  
Tear it all down, tear it piece by pieceTear it all down, tear it piece by pieceI'm in high gear with a lust for red  
Stand clear or better yet, play dead  
Famished with a taste for blood  
Make it bleed until it floodsThe beast awakens  
I'm in high gear with a lust for red  
Stand clear or better yet, play deadThe beast awakens  
Famished with a taste for blood  
Make it bleed until it floods
