Honey To The Bee

Play

Yeah
Buzz me up to heaven baby
Mmm mmm mmm come on
Buzz me up to heaven
I've been missing you
I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee
I close my eyes and I see you clear
It feels like you're lying here
All the things I want to say come and go
Easy as the breeze those words just flow
I float on air light as a feather
Your love so sweet like an open flower
I'm dizzy from the time we spent together
I need that honey drip every hour
I'm thinking about your sugar lips
I got a feeling for you now that's so strong
I'm dreaming of the candy in your finger tips
Baby don't stay away from me for too long
I've been missing you
I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee
Mmm mmm mmm
Buzz me up to heaven baby
Mmm mmm mmm
(Ah, alright come on)
Come on buzz me up to heaven
You make me smile though you're far away
I hear your voice like it was yesterday

All the things you do to make me feel so fine
I gotta tell the world about a love that's mine
These wings to fly are gonna last forever
'Cause one by one my dreams come true
And I touch the sky whenever we're together
I can't believe the joy I get with you
I'm thinking about your sugar lips
I got a feeling for you now that's so strong
I'm dreaming of the candy in your finger tips
Baby don't stay away from me for too long
I've been missing you
I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
I've been missing you
I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee
(Heaven)
You're the only one who can get me there
(Heaven)
When you gonna hear my prayer, yeah?
(Heaven)
You're the only one who can get me there
(Heaven)
When you gonna hear my prayer, yeah?
I'm thinking about your sugar lips
I got a feeling for you now that's so strong
I'm dreaming of the candy in your finger tips
Baby don't stay away from me for too long
I've been missing you
I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
I've been missing you
I should be kissing you
Honey to the bee that's you for me

I wouldn't tell a lie
Got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee
Mmm mmm mmm
(Honey to the bee)
Buzz me up to heaven baby
Mmm mmm mmm
C'mon buzz me up to heaven
