Drink Positive

RKL

We changed the name of this song personally,
and it's going out to schlum 'cause he's a great dude.
Drink Positive
Drink.
Think I care what is happening?
Sure I do, but I'm still laughing.
World problems? We All Care.
But has all this rage got us anywhere?
No!
Keep a grin.
Drink! Drink Positive.
Sure, we'll sing about all our crying,
Unnecessary deaths and violence.
Do you think your negative attitude
Is gonna give a starving man
A plate full of food?
No!
Keep a grin.
Drink! Drink Positive!
Keep Laughing!
Keep Laughing!
Hahaha.
Keep a grin.
Drink! Drink Positive!
Keep Laughing!
Keep Laughing!
Hahaha.
Sure, we'll sing about all our crying,
Unnecessary deaths and violence.
Do you think your negative attitude,
Is gonna give a thirsty man,
A cup full of booze?
No!
Aww, shit.
