

Drink Positive

[RKL](#)

We changed the name of this song personally,
and it's going out to schlum 'cause he's a great dude.

Drink Positive

Drink.

Think I care what is happening?
Sure I do, but I'm still laughing.
World problems? We All Care.
But has all this rage got us anywhere?

No!

Keep a grin.

Drink! Drink Positive.

Sure, we'll sing about all our crying,
Unnecessary deaths and violence.
Do you think your negative attitude
Is gonna give a starving man
A plate full of food?

No!

Keep a grin.

Drink! Drink Positive!

Keep Laughing!

Keep Laughing!

Hahaha.

Keep a grin.

Drink! Drink Positive!

Keep Laughing!

Keep Laughing!

Hahaha.

Sure, we'll sing about all our crying,
Unnecessary deaths and violence.
Do you think your negative attitude,
Is gonna give a thirsty man,
A cup full of booze?

No!

Aww, shit.
