I'll Be Leaving Alone

Charley Pride

Yes, I'll buy you a drink
If you'd like me to
I might even dance

A slow one with youLord, knows you're a looker

And, honey, what's more

It's not hard to see

What you're looking for'Cause you're as tempting a woman

As I've ever seen

But there's someone in Dallas

Who's trusting in meShe's the mother of my children

I'm the rock she leans on

So thank you but no thank you

I'll be leaving aloneAs we dance in the shadows

And you're holding me tight

I can feel the invitation

I've seen in your eyesAnd the soft light and the music

And the wine's rosy glow

Ain't making it easy

For me to say no'Cause you're as tempting a woman

As I've ever seen

But there's someone in Dallas

Who's trusting in meShe's the mother of my children

I'm the rock she leans on

So thank you but no thank you

I'll be leaving aloneSo thank you but no thank you
I'll be leaving alone
