

Madness To The Method

Blue Oyster Cult

A rock through a window never comes with a kiss
Rhyme and a reason never argue with a fist
There's a time for discussion and a time for a fight
It's the time in the season for a maniac at night
There's a lot to be said for a blow to the head
So come on, make a show, turn it on, let it go
Put some madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)
We want madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)

We don't care as long as there's some madness
The member's only lacking with the stage cologne
Try to pacify the jackal at the watering hole
The boys want to mix in with the girls at the bar
And the dream doesn't wait when there's no one in the car
Babe, is there a mission to destroy your inhibitions?
So come on, get some show, hang it out, rock and roll
Put some madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)
We want madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)

We don't care as long as there's some madness
It's a hormone war zone, boys are out for a fight
Wenches in the trenches on a Saturday night
Stick it here, stick it there, get it out of sight
It's the time in the season for the nasty things at night
Put some madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)
We want madness to the method
(We need, we need, we need, we need)
We need madness to the method
(Revolt, revolt, revolt, revolt)
Revolt, revolt, revolt, revolt
Revolt, revolt, revolt, revolt
Revolt, revolt, revolt, revolt
Revolt, revolt, revolt, revolt
