

Breathless (Snowflakers Mix)

Shayne Ward

If our love was a fairy tale
I would charge in and rescue you
On a yacht, baby, we would sail
To an island where we'd say I do And if we had babies they would look like you
It'd be so beautiful if that came true
You don't even know how very special you are You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine You just walked out of one of my dreams
So beautiful, you're leaving me breathless And if our love was a story book
We would meet on the very first page
The last chapter would be about
How I'm thankful for the life we've made And if we had babies they would have your eyes
I would fall deeper watching you give life
You don't even know how very special you are You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine You just walked out of one of my dreams
So beautiful, you're leaving me breathless You must have been sent from heaven to earth to change me
You're like an angel
The thing that I feel is stronger than love believe me
You're something special I only hope that I'll one day deserve what you've given me
But all I can do is try every day of my life You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine You just walked out of one of my dreams
So beautiful, you're leaving me breathless You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine You just walked out of one of my dreams
So beautiful, you're leaving me breathless, breathless
