There's a great pair of eyes
And their resting in your pretty head
Though I don't know quite why
But I'll never express how I feelYes it's true I've been tamed
The past two years I 've really changed
There's a great pair of crimes
The lonliness of you and IAnd all I want is another try
Yes all I want is to just feel the same
So what's your name, your nameAnd all I want is another try
Yes all I want is to just feel the same
So what's your name, your name, your nameI'll be the last notch in your belt
Does it look like me when there's no one else
I'll settle for a brief moment in time
If you'd settle for a quick rewindSomeday you'll realize that you needed me
Once or twice, When I need you to stay
I'll always remember these summer daysAnd all I want is another try
Yes all I want is to just feel the same
So what's your name, your nameAnd all I want is another try
Yes all I want is to just feel the same
So what's your name, your name, your nameOh Oh Oh Oh
