The Inmates

[Verse 1:]
I was never good at what I do
I'm not the one whose hurting you
I was always pushing the pram
So you could kiss the crosswalk man[Chorus:]
Didn't mean to hurt anone at all
Didn't want to do anything at all
All, all.....
Didn't mean to hurt anone at all
Didn't want to do anything at all
All, all..... to, all, all....[Verse 2:]
Just slip and fall and get away
Never listen to what I say
We are so different, you're so blind
You won't get in my fucking mind[Chorus x2]
