

# Tether (Junior Sanchez Remix)

## CHVRCHES

Where'd you go, you were there by my side  
Keep believing it's my turn to hide  
In a place where we don't have a prayer  
There's a tether that's keeping me there Trade our places  
Take no chances  
Bind me 'til my lips are silent Stay where you are  
Ever, after  
Chasing things that we should run from Will we ever get away from this place  
It's an image that's burned on my chest  
For a moment you need me to stay  
Cold blooded and drifting away Trade our places  
Take no chances  
Bind me 'til my lips are silent Stay where you are  
Ever, after  
Chasing things that we should run from I feel incapable of  
Seeing the end I feel incapable of  
Saying it's over I feel incapable of  
Seeing the end I feel incapable of  
Saying it's over I feel incapable of  
Seeing the end I feel incapable of  
Saying it's over I feel incapable of  
Seeing the end I feel incapable of  
Saying it's over I feel incapable of  
Seeing the end I feel incapable of  
Saying it's over
