

My Soul Rejoices (feat. Sarah Rankin)

[Greg Mailloux](#)

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.

He has looked upon His servant in her lowliness.
Every age to come shall call me blessed.
God who is mighty has done great things.
His mercy is from age to age.

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.

He has shown to those who fear the Lord his mighty arm.
He confused the proud within their thoughts.
He has set down the mighty from their thrones
And raised the lowly ones on high.

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.

He has given every good thing to the hungry ones
While He leaves the rich with empty hands.
He has been mindful of His mercy
As He once promised Abraham.

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.

My soul rejoices in my God
My spirit proclaims the greatness of the Lord.
Holy is His name.
(Holy is His name.)
Holy is His name.

(Holy is His name.)

Holy is His name.
