Gods & Monsters

Lana Del Rey

In the land of gods and monsters,

I was an angel.

Living in the garden of evil,

Screwed up, scared, doing anything that I needed.

Shining like a fiery beacon,

You got that medicine I need

Fame, liquor, love, give it to me slowly.

Put your hands on my waist, do it softly.

Me and God we don't get along, so now I sing. No one's gonna take my soul away,

Living like Jim Morrison.

Headed towards a fucked up holiday.

Motel, sprees, sprees, and I'm singing,

Fuck yeah give it to me, this isi»; heaven, what I truly want

It's innocence lost.

Innocence lost. In the land of gods and monsters,

I was an angel, lookin' to get fucked hard.

Like a groupie incognito posing as a real singer,

Life imitates art

You got that medicine I need

Dope, shoot it up straight to the heart please

I don't really wanna know what's good for me

God's dead, I said 'baby that's alright with me'. No one's gonna take my soul away,

Living like Jim Morrison.

Headed towards a fucked up holiday.

Motel, sprees, sprees, and I'm singing,

Fuck yeah give it to me, this isi»; heaven, what I truly want

It's innocence lost.

Innocence lost. When you talk it's like a movie and you're making me crazy,

'Cause life imitates art.

If I get a little prettier, can I be your baby?

You tell me life isn't that hard. No one's gonna take my soul away,

I'm living like Jim Morrison.

Headed towards a fucked up holiday.

Motel, sprees, sprees, and I'm singing,

Fuck yeah, give it to me, this is heaven, what I truly want.

It's innocence lost.

Innocence lost.
