I (K- Dope Beats)

Donae'o

I dont know what awaits me (x8)Verse
The rain keeps falling down on me but
I know the sun is coming back
And I cant let nobody hold me
Cant let nobody hold me back
I said to God I need your help
Lord mother, father I need your help
Im asking God to save me
The Lord said I need to save myself
Save myself and I sayChorus
I got to get up, I got to be strong, and I got to move forward
I got to be focused and motivated (Hey and I)
I got change to make it better
Got to change to be a better manI dont know what awaits me (x8)Verse 2
While walking through my own life journey
Sometimes I get pushed off the track
And I know that destiny deserves me
And you better know I got your back
So I said to God I need your help
Lord mother, father I need your help
Im asking God to save me
The Lord said I need to save myself
Save myself and I sayI got to get up, I got to be strong, and I got to move forward
I got to be focused and motivated (Hey and I)
I got change to make it better
Got to change to be a better manI got to; I got to move on yeah
I got to; I got to move on yeah
I got to; I got to move on yeah
I will move onBridge
Well it doesnt make sense me sitting here waiting
(Sitting here waiting)
So I got to put my feet back on the ground
(Back on the ground)
And I know if I ask God hell never help me
(Help, help, help me Lord)
So I got to learn to fend for myself
(For myself)I got to get up, I got to be strong, and I got to move forward
I got to be focused and motivated (Hey and I)
I got change to make it better

Got to change to be a better manI got to; I got to move on yeah
I got to; I got to move on yeah
I got to; I got to move on yeah
I will move on yeah (x3)
