

# Charnel Ground

## Section 25

You left the door open (2x)  
A springtime morning  
The sunshine filled me 2x  
Silence is everywhereWalking beneath the trees  
The leaves blow to and fro  
Spirit is roaming  
The spirit is roamingThe field is empty,  
Nowhere to lie  
Spirit is roaming  
Silence is everywhere  
Nowhere to lie (3x)  
The field is empty,  
Silence is everywhereDance... dance  
The dance... the dance...  
Silence is everywhere  
The field is empty,  
Nowhere to lie (2x)
