

# Crick In My Neck

## Cowboy Troy

Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckWell we enter the facility, the place is jumpin'  
Everything is crowded, the music is bumpin'  
We make a lap with drink in hand, try to walk around but we're in demand  
About then sweetie went to the ladies room  
And that's when the DJ played the boom, boom, boom, bang-biggity-bang  
I looked over my shoulder and I was like "Dang"  
A chick was dancin' on the bar so I double checked  
Sweetie came back, something wrong with your head? I saidMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckLike the fellas on the beach in the summertime  
Checkin' out the girls walkin' up and down the coastline  
Splashin' in the surf in their bikinis  
Others tan on a blanket while they sip Martinis  
All winter long fellas did those crunches  
'Cause girls are like bananas, man, they roll in bunches  
Lookin' for fun but didn't keep it in check  
What happened to you boy? I got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckYou're hanging on my words like a life preserver  
My rhyme is your table and I'll be your server  
Paid attention to the song like a record exec  
Bobbed your head up and down and got a crick in your neckMmm hmm! Got a crick in my neck

Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck  
Mmm hmm! Got a crick in my neck
