

# Betcha She Don't Love You

Jessica Simpson

Oh yeah Last night I saw you out  
Hangin' with another girl  
Tell me what that's all about  
You used to be my world 6 days and 7 nights  
Since we decided to say goodbye  
But I'm still feeling you  
I can't get you of my mind I tried so hard to fight it  
But I can't let you go  
No way to deny it And I betcha she don't love you like I do  
And I betcha she's not giving you all that you need  
If you don't remember let me remind you  
No one in the world could ever love you better than I do  
Oh yeah, better than I do Don't even fool yourself  
She'll never take my place  
Put her up back on the shelf  
She'll never win this race Through all the ups and downs  
I was always there for you  
And now you think about  
Somebody else so No one could do you better  
But you know, you know what  
I'll wait here forever And I betcha she don't love you like I do  
And I betcha she's not giving you all that you need  
If you don't remember let me remind you  
No one in the world could ever love you better than I do  
Oh hey, she'll never take my place No one could do the things I do  
I bring the lovin' outta you  
Deep in your heart you know it's true  
Better believe it You know that you should be with me  
I got the lovin' that you need  
It's just the way it's gotta be  
Can't you see, yeah? You know I treated you right  
I know the things that you like  
And this much I know for sure  
That no one in the world could ever love you more, yeah  
Oh oh, yeah yeah And I betcha she don't love you like I do  
And I betcha she's not giving you all that you need  
If you don't remember let me remind you  
No one in the world could ever love you better than I do No one could do the things I do  
I bring the lovin' outta you

Deep in your heart you know it's true  
Better believe it You know that you should be with me  
I got the lovin' that you need  
It's just the way it's gotta be  
Can't you see, yeah? And I betcha she don't love you like I do  
And I betcha she's not giving you all that you need  
If you don't remember let me remind you  
No one in the world could ever love you better than I do And I betcha she don't love you like I do  
And I betcha she's not giving you all that you need  
If you don't remember let me remind you  
No one in the world could ever love you better than I do And I betcha she don't love you like I do
