

Don't Ever

[Donna Lewis](#)

Let's take the train to anywhere
I wanna feel the wind in my hair with you
Let's tell them all, that soon they'll know
How very wrong they were to think we'd never go
And if you tell me yours I'll tell you mine
And we will clean the cobwebs out of one another's minds
Don't ever say you've tried
To leave me in this life
Don't ever say you've tried
For the last time
We'll get a house where the trees hang low
And pretty little flowers on our window sill will grow
We'll make friends with the milk man
And the butcher Mr. Timms will give us discounts when he can
And if you tell me yours I'll tell you mine
And we will clean the cobwebs out of one another's minds
Don't ever say you've tried
To leave me in this life
Don't ever say you've tried
For the last time
La di da di da
La di da di da
La di da di da
Di da di da
Oh ohh
Don't ever say you've tried
To leave me in this life
Don't ever say you've tried
To leave me in this life
Don't ever say you've tried
For the last time, babe
