

Walk On (Sheffield, August 20, 2009)

U2

And love
Is not the easy thing
The only baggage
That you can bring
And love is not the easy thing
The only baggage you can bring
Is all that you can't leave behind And if the darkness is to keep us apart
And if the daylight feels like it's a long way off
And if your glass heart should crack
And for a second you turn back
Oh no, be strong Walk on
Walk on
What you got, they can't steal it
No they can't even feel it Walk on
Walk on
Stay safe tonight You're packing a suitcase for a place
None of us has been
A place that has to be believed
To be seen You could have flown away
A singing bird
In an open cage
Who will only fly
Only fly for freedom Walk on
Walk on
What you got
You can't deny it
Can't sell it or buy it Walk on
Walk on
You stay safe tonight And I know it aches
How your heart it breaks
You can only take so much Walk on
Walk on Home
Hard to know what it is
If you never had one Home
I can't say where it is
But I know I'm going Home
That's where the hurt is And I know it aches
And your heart it breaks
You can only take so much

Walk onLeave it behind
You've got to leave it behindAll that you fashion
All that you make
All that you build
All that you breakAll that you measure
All that you feel
All this you can leave behindAll that you reason
It's only time
And I'll never fill up all my mindAll that you sense
All that you scheme
All you dress up
And all that you seeAll you create
All that you wreck
All that you hate
