

Inside (Rick Will Mix)

Switched

Yeah

Break my frustration

Crack the walls that hold me inside

Never seen the light go shining through

Never seemed to like the likes of you

Are you happy now

You broke me on the inside

The inside of my soul

The inside of my soul

Should I act now

You break me on the inside

The inside of my soul

The inside of my soul

Is it just lack of respect

These things you do to me

Jealousy is all I see

But you complicate things

Manipulate me

But there's nothing left to believe

Are you happy now

You broke me on the inside

The inside of my soul

The inside of my soul

Should I act now

You break me on the inside

The inside of my soul

The inside of my soul

I swear words keep on speaking

Secrets that your keeping

Tongue tied too tied to part of you

Are you happy now

You broke me on the inside

The inside of my soul

The inside of my soul

Should I act now

You break me on the inside

The inside of my soul

The inside of my soul

You sick why can't you just leave me alone

The inside of my..
The inside of soul
