

Numb

Pink

No sleep, no sex for you from your ex-girlfriend
I was too deep, can't let you call me just jump in
At times, I would, push my feelings aside to let you feel
I'm Novocaine, I'm numb and nothing's real Like the coldest winter
I am frozen from you I was weak before now you've made me
So numb, I can't feel much for you anymore
I gave you my all my baby
I'm numb, numb, numb But the tears were silent inside you see
(Mmm)
But the tears were silent inside you see
(Yea) I laid there quiet
And watched you have your way with me
I might have cried
But the tears were silent inside you see
You called me names
Made me feel like I was dumb
I didn't feel a thing
And now I'm gone, gone, gone Like a battered child
I got used to your pain but you know it's 'cause I was weak before now you've made me
So numb, I can't feel much for you anymore
I gave you my all my baby
I'm numb, numb, numb I was weak before now you've made me
So numb, I can't feel much for you anymore
I gave you my all my baby
I'm numb, numb, numb, numb Yeah
I don't, don't
I don't feel the thing
I don't feel the pain
Na Say it
I was weak before now you've made me
So numb, I can't feel much for you anymore
I gave you my all my baby
I'm numb, numb, numb, numb I was weak before now you've made me
(Na, na, now you've made me so numb)
So numb, I don't feel much for you anymore
(Don't feel much for you anymore)
So I gave you my all my baby
I'm numb, numb, numb
(Ah, ah, ah)

(Ah, ah, ah)

(Ah, ah, ah)

I was weak before So now I'm numb, numb, numb, numb

Oh oh

Numb, numb

(Numb, numb, numb)

No, no, no, no
