Rest in Peace

Buffy the Vampire Slayer

I died so many years ago
You can make me feel like it isn't so
Why you come to be with me
I think I finally knowYou're scared, ashamed of what you feel
And you can't tell the ones you love
You know they couldn't deal
Whisper in a dead man's ear
It doesn't make it real, that's greatWell, I don't wanna play
'Cause being with you touches me
More than I can say
And since I'm only dead to you
I'm saying stay away
And let me rest in peaceLet me rest in peace
Let me get some sleep
Let me take my love and bury it
In a hole six foot deep
I can lay my body down
But I can't find my sweet release
So let me rest in peaceYou know you got a willing slave
And you just love to play the thought
That you might misbehave
But till you do I'm telling you
Stop visiting my grave
And let me rest in peaceI know I should go but I follow you like a man possessed
There's a traitor here beneath my breast
And it hurts me more than you've ever guessed
If my heart could beat, it would break my chest
But I can see you're unimpressed
So leave me beAnd let me rest in peace
Let me get some sleep
Let me take my love and bury it
In a hole six foot deep
I can lay my body down
But I can't find my sweet release
Let me rest in peaceWhy won't you
Let me rest in peace?
