

# My Love Is Free (Msystem Remix)

## Double Exposure

Don't need no money  
Just call my name  
And I'll be there honey  
And I'll ease the pain  
If you had a million I wouldn't take it it's simple  
Can't you see cause you're worth than that  
You can get it in a time girl  
So came and get it from me  
My love is my love is my love is  
Free free free free  
What a feel love is  
It constantly leavin' me all time high  
You should be givin' my love a time  
With me that's the only what's guaranteed  
Oh can't you see  
Cause you're just worth than that baby  
So you can get it in a time girl  
So come and get it from me  
My love is free  
Yes it is free  
I've got the feelin' in the morning  
With me that's the only what's guaranteed  
Oh can't you see  
Because you're worth than that  
You can get it in a time girl  
So come and get it from me  
My love is my love is free free free free  
I've got a good love  
Yes I have  
If I have my love  
You see I wouldn't mind to die  
I've got the feeling  
I'm gonna make love tonight  
Right on here tonight  
Right here with you baby  
I can ease you anytime  
I've got the feelin' in the morning  
Lady lady lady  
Baby baby baby  
Sometimes I get a little trouble  
And sometimes I get so blue  
But every time I get mixed up inside  
I think of love I have for you  
I've got to free
